

PRODUCT	SPECIFICATION	APPLICABILITY
TURBONYCOIL 600	MIL-PRF-23699	Turbine engine oil for General Electric, Rolls-Royce, SNECMA/Turbomeca and Pratt & Whitney Canada engines (most aircraft)
TURBONYCOIL 35M	DERD 2487 (DEF STAN 91-98)	Turbine engine oil for turboprop engines (Rolls-Royce Dart, Pratt & Whitney Canada PT6A).
TURBONYCOIL 160	MIL-PRF-7808 Gr.3	Synthetic oil for trim horizontal stabiliser (Airbus)
TURBONYCOIL 3516	MIL-PRF-6081 Gr. 1010	Preservative oil for engine fuel control system (Boeing, Airbus)
HYDRAUNYCOIL FH 51	MIL-PRF-5606 G	Hydraulic Fluid, shock-strut & control surface dampers (most aircraft)
HYDRAUNYCOIL FH5AW	BMS 3-32 Type II	Landing Gear Fluid for Boeing and McDonnell-Douglas aircraft, ready-to-use
HYDRAUNYCOIL FH6AW	BMS 3-32 Type I	Shock-Strut Fluid for Boeing and McDonnell-Douglas aircraft, ready-to-use
HYDRAUNYCOIL FH 2	MIL-PRF-83282	Main hydraulic fluid of Eurocopter helicopters and some air conditioners
NYCOLUBE 7870	MIL-PRF-7870, DEF STAN 91-47	Instrument oil, general lubrication (Boeing, Airbus, ATR, Raytheon, Embraer, Bombardier)
NYCOLUBE 11 B	MIL-PRF-6085 D	Instrument oil, autopilot and other aircraft moving parts (anti-corrosion) for Airbus, Boeing, ATR, Dassault Falcon, Fokker
NYCO GREASE GN 148	BMS 3-33	High Performance, General Purpose Grease, -73 to +121°C for Boeing aircraft (all models)
NYCO GREASE GN 144	AIMS.09.06.001	Grease for slat & flap actuators of Airbus aircraft, prevents component jamming by ice
NYCO GREASE GN 22	MIL-PRF-81322 F	Synthetic grease, extreme-pressure for wheel bearings and airframe lubrication (most aircraft)
NYCO GREASE GN 10	MIL-PRF-23827 Type I	Synthetic grease, low temperature, ester based (most aircraft)
NYCO GREASE GN 17	MIL-G-21164 D	Synthetic grease with solid lubricant, required for Boeing aircraft where BMS 3-33 is not applicable – compatible with Nyc Grease GN 148 (BMS 3-33)

NYCO GREASE GN 06	AIR 4206, DEF STAN 91-54	Graphited mineral grease, for Eurocopter, Airbus & ATR.
NYCO GREASE GN 07	AIR 4207, MIL-G-25760	Synthetic grease, wide temperature range for Boeing and Airbus aircraft
NYCO GREASE GN 46	MIL-G-25537, DEF STAN 91-51	Anti-fretting grease for splines and oscillating bearings (helicopters / Airbus)
NYCO VASELINE 65	AIR 3565, VV-P-236	Mineral vaseline, assembly compound and synthetic rubber seals (most aircraft), compatible with other fluids and greases.
NYCO GREASE GN GA47	AIR 4247, AMS 2518 (obsolete MIL-T-5544)	Anti-seize graphited compound for threads, flanges and nuts (Airbus)
NYCO GREASE GN HC	AMS-G-6032, DCSEA 363/A	Fuel & Oil resistant grease, for fuel and oil lines valves
NYCO GREASE 25013	MIL-G-25013	High temperature silicone grease
NYCO GREASE GN 4343	MIL-G-4343	Silicone Grease, pneumatic systems and seals
NYCO 4223	AIR 4223	Molybdenum disulphide powder
NYCO GREASE GN 05	AIR 4205, MIL-G-3545	Mineral Wheel Bearing Grease
